

WOODWARD ACADEMY

ESTABLISHED 1900

CLASS OF 2009 COLLEGE ACCEPTANCE & SCHOLARSHIP STATISTICS

As 100% of the class embark upon their college careers, we salute the Class of 2009 for their outstanding academic, artistic and athletic accomplishments during their senior year at the Academy, including: \$13.8 million in merit scholarship awards; 47 students recognized by the National Merit Scholarship Corporation; Morehead-Cain Scholar at UNC/Chapel Hill; Danforth Scholar at Washington University; 25 Presidential Scholarships at a variety of college and universities; first place at the Georgia Junior Science and Humanities Symposium, 2 state championship titles; 13 area/regional athletic championships, 19 teams qualified for the State Playoffs, more than 3,000 hours contributed to community service projects; first and second place honors in the National Association of Teachers of Singing Competition; 2 members of the GMEA All-State Band; National Scholastic Art Awards; Best in Show at the Atlanta Arts Festival; top honors at the 2009 Georgia High School Ceramic Arts Awards and Symposium.

As we all know, each new college admissions year brings with it surprises. We find that some institutions suddenly become more competitive, due to an increase in their applicant pool, while other institutions begin to suffer declines in the number of applicants. The economy certainly played a part in decisions by colleges and students this year. Keep in mind that college admission is based on a combination of factors: *the number and difficulty of courses, grades earned, standardized test scores, extracurricular activities, well-prepared essays and short answers, recommendations, geographic and racial diversity, special needs of the community (athletes, artists and entrepreneurs), as well as institutional priorities for alumni children.*

You will find attached the acceptance list for the Class of 2009 that was prepared by the College Counseling Office. Acceptances have been randomly arranged in tiers as determined by grade point average. Each grouping represents **all** of the acceptances for an individual senior with the **bolded** institution indicating the college the student will attend. ***Keep in mind, this information is intended to serve as an informational guide only, rather than a definitive predictive formula for future college admissions trends.***
