Welcome to Woodward North Summer Camp

We are delighted to have your child enrolled in camp at Woodward North this summer. Attached is a list of all the camps being held on our campus the Week of July 6 – through July 10th. The list includes camp name, hours, director name and contact information, as well as any specific items that your child will need to bring to camp. We have also included a map for morning and afternoon carpool. Camp directors or counselors will greet and dismiss campers at the designated times and locations indicated on the map. Any camper not picked up in carpool will be enrolled in WACtivity Camp for the day and charged the daily rate.

If your child is staying for WACtivity Camp, he/she will be delivered to the library for the afternoon WACtivity session. WACtivity Camp is available until 5:30 PM each day. If you have not enrolled in WACtivity Camp but would like to take advantage of the afternoon extended care, please don’t hesitate to let us know. Complimentary early morning drop-off is available after 7:45AM in the library (see map for early morning drop location).

If you have any questions regarding camp prior or during the week of camp, please do not hesitate to contact our Summer Camp office at camps@woodward.edu or 404-765-4400.

See you soon for a week full of fun!

Lunch served daily. See our website for menus and other camp information http://www.woodward.edu/summer/camps/index.aspx
