Note: We have record numbers of students participating in intramurals and the coaches need time to prepare accordingly. Therefore, a student MUST have a signed permission slip by the Monday that the intramural activity begins or they will NOT be allowed to participate. Thank you for your cooperation as this will keep our program safe and successful! There will be a separate form for each sport they plan to participate in during the year. Again, the student must have the signed permission slip turned in prior to the start of the activity. Permission forms will be available two weeks prior to the first day of the sport. ALL students are checked into after care after any school activity including intramurals. They are not charged for the first 15 minutes, but after that they will be charged \$6.25 an hour. After 6:00pm, any student left will be charged \$5 a minute. Also, students who ride MARTA home must ride the 6:00 shuttle to the station.
